III. Citizen Communication.

1. Karen Flanagan – States that there are 12 people waiting for 4 spots on the provided Pickleball Court at the Elgin Recreation Center. They are playing by rules they implemented where if you win more than 3 games you sit out and only play to 7 points not 11. Want to use the full court for 3 Pickleball courts from 10AM – 12PM.
2. Mark Flanagan – Pickleball gets loud when there's multiple courts going at a time, especially if there are night games. Should consider the proximity of Pickleball to residential areas. Pickleball players will commit funds to stripe the Basketball Gym for Pickleball.
