

The Rumor Mill Vol. 2

February 25, 2022

What is the Rumor Mill?

In an effort to enhance communication between the City of Elgin and our citizens, from time to time, we will update with topics that will hopefully clarify and address some of the more well-known rumors that may be out in our community.

Rumor of the Day: New Elgin Police Station

“I noticed some recent building activity around the Elgin Police Station. Is construction on the new building already starting?”

No. This past November, the City Council formally authorized funding to renovate and expand the current Elgin Police Station, and the planning for same is in progress.

A Building Committee made up of the EPD Police Chief, two EPD Commanders, the Public Works Director, the City Engineer and City Manager are guiding the building design process. Once an architect is selected and a building design is approved by the Committee, the same will be presented to the City Council for their formal approval.

Recently, a dilapidated fence was removed from the EPD Station site. However, that work is related to the Poth Building Renovation Project and the pending demolition of a small building

adjacent to the EPD Station.

Have you heard a rumor you would like the city to address? If so, contact City Secretary Jennifer Stubbs at jstubbs@ci.elgin.tx.us.
